

COVID-19

Screen Online Before Entering

Answer the questions at ahs.ca/VisitScreenCHS or scan the QR code above with your mobile device's camera.

You can go online to do required COVID-19 screening for your appointment.

- Our screening staff will screen you inside if you do not answer questions online.
- Screening helps us know if you can keep your appointment today.
- You'll be asked to show us your screening results.
- If you are going to urgent or emergency care, see our screening staff before completing the tool.
