## COVID-19 Vaccine

To find out if you are eligible to book a COVID-19 immunization appointment, visit [ahs.ca/covidvaccine](https://ahs.ca/covidvaccine)

- Those who are eligible can book an appointment online at [www.ahs.ca/covidvaccine](https://www.ahs.ca/covidvaccine) or by calling Health Link at 8-1-1.
- Some pharmacies are also delivering vaccine. For more information about booking an appointment at a pharmacy and to see the list of participating pharmacies, visit [Alberta Blue Cross](#).
- Appointments are only available for those who are eligible.
- Similar to COVID-19 testing, individuals will be directed to the nearest vaccination site based on their postal code.
- Vaccinations are by appointment only.
- Please bring one piece of identification with you, which could include your Alberta Health Care card, a driver's license, Social Insurance Number, birth certificate, or passport.
- Residents of lodges, manors or other private supportive living facilities will be contacted directly by their care team at the site to coordinate vaccination in the facility. These individuals do not need to book an appointment.
