

# Obtaining Immunization Records

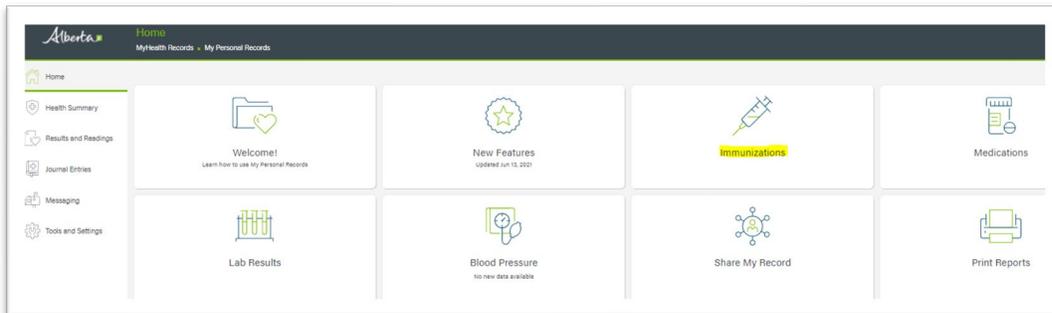

To obtain your COVID-19 immunization records from [myHealth Records](#) or [MyAlberta Digital ID](#) follow the steps below:

**STEP 1:** Create a [MyAlberta Digital ID](#) (It may take up to 10 days to activate your MyHealth Account).

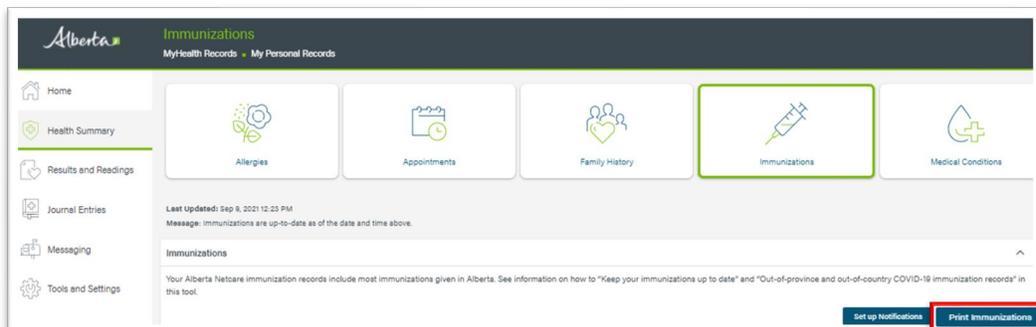

**STEP 2:** Log in to your [MyAlberta Digital ID](#) and select **My Personal Records**

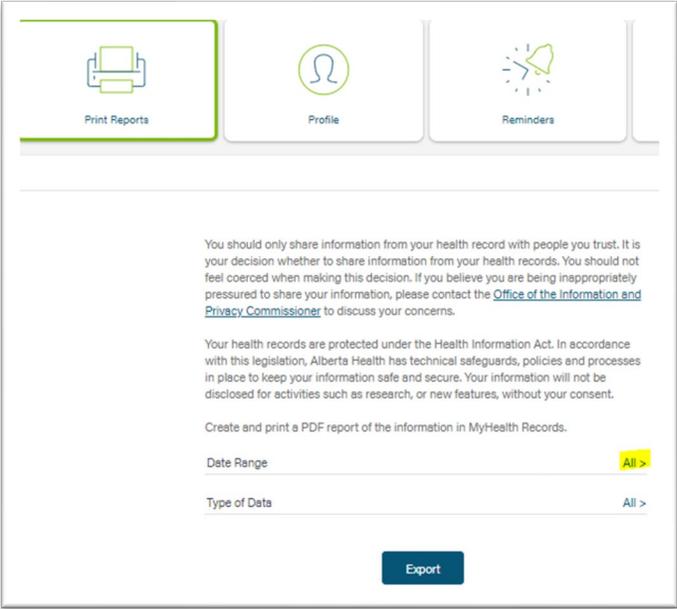

**STEP 3:** Select **Immunizations**

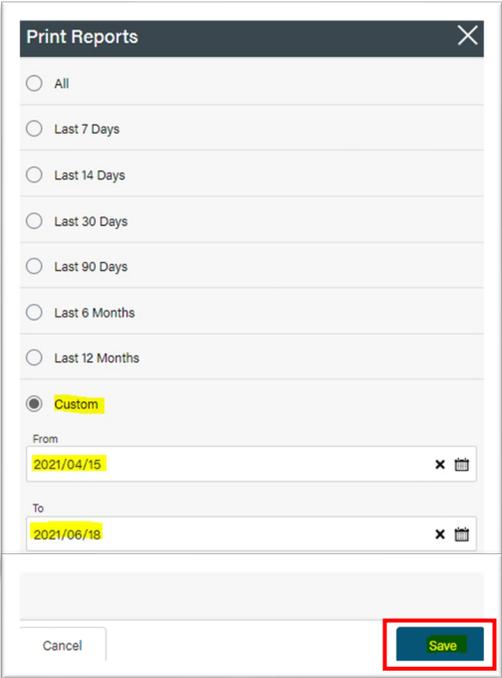

**STEP 4:** Select **Print Immunizations**

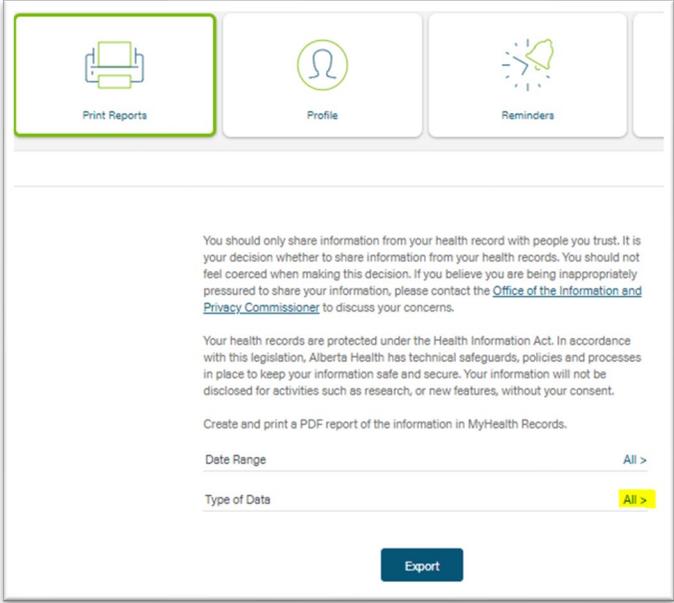

**STEP 5:** Click on 'All >' under **Date Range**

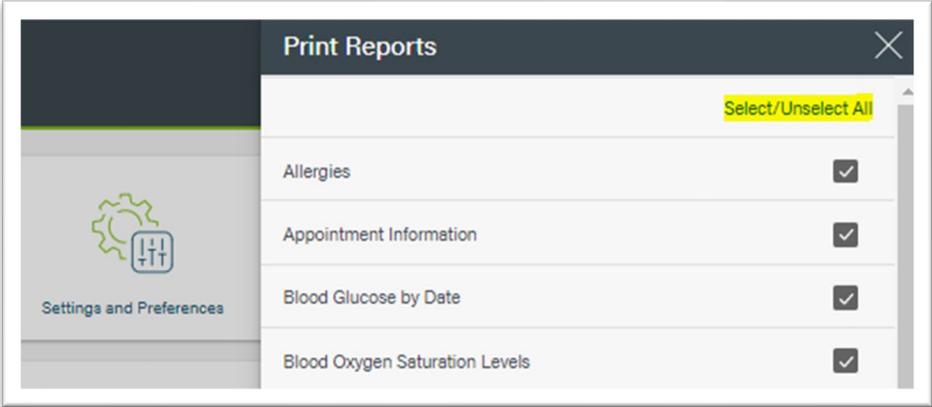

**STEP 6:** A pop-up window will appear on right side. Click on **Custom** and select the date range for your first and second dose dates of your COVID-19 Immunization. Click **Save**.

**STEP 7:** Click on 'All >' under *Type of Data*

**STEP 8:** A pop-up window will appear on right side. Click on **Select/Unselect All** to remove the checkmarks.

**STEP 9:** Select *Immunizations* from the list and click **Save**.

The screenshot shows a 'Print Reports' dialog box with a list of report categories. The 'Immunizations' category is selected, indicated by a checkmark and a yellow highlight. At the bottom right, the 'Save' button is highlighted with a red box.

Report Category	Selected

<b>Immunizations</b>	<input checked="" type="checkbox"/>
Insulin Medications	<input type="checkbox"/>
Insulin Injection Use by Date	<input type="checkbox"/>
Lab Results	<input type="checkbox"/>
Medications (Active)	<input type="checkbox"/>
Medication Fill	<input type="checkbox"/>
Medical Condition (Past)	<input type="checkbox"/>
Procedures	<input type="checkbox"/>
Sleep Details	<input type="checkbox"/>
Weight	<input type="checkbox"/>

Buttons: Cancel, Save

**STEP 11:** Click on *Export*. Your personal health report will appear on the next tab.

The screenshot shows a confirmation screen for exporting a report. It includes a privacy notice, a date range dropdown set to 'Apr 15, 2021 - Jun 18, 2021', and a type of data dropdown set to 'Immunizations'. The 'Export' button is highlighted with a red box.

You should only share information from your health record with people you trust. It is your decision whether to share information from your health records. You should not feel coerced when making this decision. If you believe you are being inappropriately pressured to share your information, please contact the [Office of the Information and Privacy Commissioner](#) to discuss your concerns.

Your health records are protected under the Health Information Act. In accordance with this legislation, Alberta Health has technical safeguards, policies and processes in place to keep your information safe and secure. Your information will not be disclosed for activities such as research, or new features, without your consent.

Create and print a PDF report of the information in MyHealth Records.

Date Range: Apr 15, 2021 - Jun 18, 2021 >

Type of Data: Immunizations >

Button: Export

**STEP 12:** This report will be at least 3 pages long. 'Save As' or 'Print' the entire record electronically and send it via email.
