

# COVID-19

## What to expect with your COVID-19 test

Welcome. Your test is quick and easy. Here's what happens:

-  1. Enter our site
-  2. Staff wearing protective gear meets you
-  3. You show your photo ID and personal healthcare card
-  4. We ask you a few questions and explain if we will swab your nose or throat
-  5. You let us know if you have questions or concerns
-  6. Tilt your head back and relax
-  7. We swab your nose or throat
-  8. We tell you how you will get your test results.

You're all done!

For more about your test results, visit [ahs.ca/results](https://ahs.ca/results).
