

COVID-19

COVID-19 testing criteria

Alberta Health Services will now test you when you:

- Have COVID-19 symptoms
- Are linked to a known outbreak
- Test positive after a rapid COVID-19 point-of-care test

COVID-19 tests for travellers are offered by DynaLife Medical Labs and pharmacies for a fee.

If none of the above apply to you, COVID-19 testing is NOT recommended.

For more information or to book a COVID-19 test:

- Visit ahs.ca/covid
- Call Health Link at 811
