

Masks Strongly Recommended

**Help us keep patients,
families and staff safe.
Please sanitize your hands
before taking a mask.**

Thank you.

Enhanced Masking Currently in Place

Visitors, families and patients will be required to mask in certain areas of this site.

Healthcare workers and volunteers are required to mask in all patient-accessible areas.

October 2023

Masks Required in this Area

**To protect vulnerable patients,
you are required to mask in this area.
Please sanitize your hands
before taking a mask.**

Thank you.
