COVID-19 (new Coronavirus) is a virus that causes a disease called COVID-19.

What is happening in Alberta?

The AHS Emergency Coordination Centre (ECC) is the place where information about COVID-19 is shared.

What symptoms do people have?

COVID-19 can cause different symptoms for different people. Some common symptoms include:

- Chills
- Cough
- Difficulty breathing
- Fever
- Loss of taste or smell
- Muscle pain
- Runny nose
- Sore throat
- Fatigue

What is the treatment for COVID-19?

There is currently no specific treatment for COVID-19. However, people who are sick are recommended to stay home and rest.

What are the risks associated with COVID-19?

COVID-19 can cause serious illness and death, especially in people with underlying medical conditions such as heart disease, lung disease, or diabetes.

What is the best way to prevent the spread of COVID-19?

The best way to prevent the spread of COVID-19 is to:

- Wash your hands often with soap and water for at least 20 seconds.
- Avoid touching your eyes, nose, and mouth.
- Cover your mouth and nose with a tissue or your elbow when you cough or sneeze.
- Stay at least 6 feet apart from others.
- Wear a mask when you are in close contact with others.

What is the best way to protect vulnerable populations?

Vulnerable populations include:

- Older adults
- People with underlying medical conditions
- People with compromised immune systems

What is the best way to protect yourself from COVID-19?

The best way to protect yourself from COVID-19 is to:

- Wash your hands often with soap and water for at least 20 seconds.
- Avoid touching your eyes, nose, and mouth.
- Cover your mouth and nose with a tissue or your elbow when you cough or sneeze.
- Stay at least 6 feet apart from others.
- Wear a mask when you are in close contact with others.

MHA: The best way to deal with COVID-19 is to stay at home.

• Drink alcohol only when you are sick or have a fever.
• Wash hands regularly with soap and water.
• Wear a mask when you go out.
• Keep a distance of at least 2 meters from others.
• Avoid large gatherings.

When should I go to the hospital? (When should I be tested for COVID-19?)

• If you have severe COVID-19 symptoms, call 911 or go to the nearest hospital.
• If you have mild symptoms, contact your healthcare provider or call 811 for advice.

Should I be tested for COVID-19? (Should I be tested for COVID-19?)

• If you have symptoms of COVID-19, you should get tested.
• If you do not have symptoms, you should get tested if you have been in close contact with someone who has COVID-19.

When am I legally required to isolate and when do I not have to isolate while waiting for my COVID-19 test results?

• If you test positive for COVID-19, you must self-isolate for 14 days.
• If you test negative for COVID-19, you can return to your regular activities.

COVID-19 testing in Alberta:

• Go to the nearest hospital or call 811 for advice.
• Contact your healthcare provider or call 811 for advice.

COVID-19 symptoms:

• Fever
• Cough
• Shortness of breath
• Fatigue
• Muscle or body aches
• Headache
• New loss of taste or smell

If you have any of these symptoms, you should get tested for COVID-19.

For more information, visit alberta.ca/covid19 or call 811.

**TRAVEL:**

Are I returning to Alberta from outside of Canada?

A travel alert is in effect for people returning to Alberta from outside of Canada, effective June 14, 2021. People returning from outside of Canada are required to self-isolate for 14 days. People are asked to self-monitor for symptoms and contact their health care provider or 811 if they have symptoms.

- **COVID-19:**
  - People returning from outside of Canada are required to self-isolate for 14 days.
  - People returning from outside of Canada are required to contact their local public health unit.

**COVID-19 APP**

Is there an app that can let me know if I've been exposed to COVID-19?

- **ABTraceTogether:**
  - Download the ABTraceTogether app from the App Store or Google Play.
  - The app uses Bluetooth technology to alert users if they have been in close contact with someone who has tested positive for COVID-19.

For more information, visit the ABTraceTogether website: https://www.alberta.ca/ab-trace-together.aspx
