Sortable / Searchable Tables

How to Filter

User may use the sortable / searchable table to quickly filter items to find the resources they are looking for.

COVID-19 Resources for AHS Staff & Health Professionals

Sort by Document Type | Info For
See all | All | Filter > | Clear >

Search: | Show | entries

Select one of the drop down menus to filter for specific content types (on the left), or info for a specific team (right drop down). After selecting the option you are looking for, select the Filter button. Hit clear if you want to go back to seeing all results.

Example:

COVID-19 Resources for AHS Staff & Health Professionals

Sort by Document Type | Info For
Posters | All | Filter > | Clear >

Search: | Show | entries

Left drop down: The user above is filtering the content to only view Posters.

COVID-19 Resources for AHS Staff & Health Professionals

Sort by Document Type | Info For
See all | EMS | Filter > | Clear >

Search: | Show | entries

Right drop down: The user above is filtering for EMS content only.
