Specialty Classes

Newborn Safety

\$25.00

- Afternoon class 1:30 – 4 p.m.
- Evening class 6 – 8:30 p.m.
- Various dates available

A time to meet with other expectant and new parents to explore how we keep our babies safe in the 21st Century.

Come discover:

- Why more is not always better
- Why Immunizations are so important
- How to know if what they are selling is safe
- Why you should read car seat manuals

Topics discussed often include creating safe play and sleep environments, finding credible information on the internet, having pets with infants in the home, and so much more.

Eat, Sleep, Poop & Repeat

\$25.00

- Afternoon class 1:30 – 4 p.m.
- Evening class 6 – 8:30 p.m.
- Various dates available

A time to meet with other new parents around infant feeding, share what is working, what you have learned along the way and what you love most about feeding your baby.

Topics often include latch tips and tricks, milk supply, newborn feeding cues, growth patterns, managing YOUR new sleep schedule, and so much more. We will be happy to add your question or topic to the list.

Note: this class is not intended to address breast or breastfeeding concerns. If you are experiencing any symptoms that Healthy Parents, Healthy Children recommends the help of a health care professional, please call your health care provider or 811 for assistance.

Grandparent Class

\$25.00

- Evening class 6 p.m. – 8:30 p.m.

A time to meet with other new or soon to be grandparents, refresh on infant care and explore strategies to support your adult children as new parents and share what your new name is...Grandma, Papa, Oma, Gido...so many options.

Topics discussed often include safe sleep, newborn feeding and care basics, finding credible information on the internet and so much more. We will be happy to add your question or topic to the list.
