

Hip and knee replacement physiotherapy

AHS offers funded physiotherapy for Albertans who have undergone a hip or knee replacement in the last 12 weeks.

To access funded physiotherapy* as of **March 1, 2022**:

- Scan the QR code or go to ahs.ca/adultrehab to locate a clinic in our directory
- Search surgery-hip and knee replacements
- Enter where you live to find a clinic near you
- No need to call the Rehabilitation Advice Line first – no referral

Scan the QR or visit

ahs.ca/adultrehab

*Funded physiotherapy is offered in a group format.

All hip or knee arthroplasty clients will be eligible for a one-to-one physiotherapy assessment prior to starting group sessions.

Patients who have been instructed by a physician or surgeon to begin physiotherapy after 12 weeks are encouraged to speak with a contracted clinic about eligibility.
