

# Depression Research Priority Grant 2019

## Call for Proposals

- Foster and strengthen applied research and innovation related to Alberta's Top 11 Depression Research Priorities determined by Albertans with lived experience of depression. Priorities may be accessed [online](#).
- Proposals for primary data collection may be funded up to \$20,000, proposals for knowledge translation may be funded up to \$10,000.
- Applications will be reviewed for scientific merit and strength of connection to the priority areas.

## Description

The Alberta Addiction and Mental Health Research Hub is a partnership of researchers, healthcare professionals and leadership, community organizations, government ministries, patient advocates, and other stakeholders. The Research Hub works to create a strong research-to-practice enterprise for addiction and mental health (AMH) research in Alberta.

This Depression Research Priority Grant will support researchers who are investigating the depression research priorities created by Albertans with lived experience. More information about Alberta's Top 11 Depression Research Priorities may be found [online](#).

For studies involving primary data collection, projects up to \$20,000 may be funded. Knowledge translation projects may be funded up to \$10,000.

## Eligibility

- Principal investigators (PIs) must be a faculty member in one of Alberta's academic institutions, or clinically appointed at Alberta Health Services (AHS) or its affiliations. The affiliated institution must be eligible to hold and administer research funds.
- The applicant must be a member of the AMH Research Hub. To become a member of the AMH Research Hub, please email [AMH.ResearchHub@ahs.ca](mailto:AMH.ResearchHub@ahs.ca)
- The research must be related to Alberta's Top 11 Depression Research Priorities determined by Albertans with lived experience.
- PIs may only hold a single active grant from the Alberta AMH Research Hub or AMH Strategic Clinical Network (SCN), but may be coinvestigators on multiple awards or hold grants from other AHS SCNs. Exceptions include the AMH Research Hub's *Team Building Grant* and *Publication Grant*, which may be held concurrently with other AMH Research Hub and AMH SCN grants.
