

Optimizing Medication to Improve Quality of Care

Devonshire Seniors Community

The Problem

Mealtimes & medication passes were scheduled at the same time

How can I be in 2 places at once?

Medication pass takes 5 hours each day!

Solutions were Proposed

We support Deprescribing!

Let's look at the numbers of residents on 9+ medications.

Do residents really need all these eye drops & inhalers?

SITE MEDICAL DIRECTOR / SITE LEADER

PHYSICIAN

PHARMACIST

CARE MANAGER

Let's try 2 med passes per day!

DIETICIAN

EVERYONE GOT TOGETHER!

Let's avoid pills & supplements at meal times... to improve the dining experience!
