YES

NO ➡ Further care of patient determined current location.

To prepare for patient arrival at UAH, Critical Care Manager at UAH contacts:
- ED Charge RN (780-407-6006) – notify of impending patient arrival to Decontamination room
- GSICU Charge RN (780-407-3274)
- Respiratory Manager (780-407-6191)
- Burn Unit Charge RN (780-407-6149) ******5C3 Charge RN 780-407-6184 (if 3C2 SIU unavailable)*** GSICU and Burns Charge RNs will initiate appropriate specific SIU procedures
- Manager-on-call for Pediatrics
- EMS (780-735-0812) for determine probably time of arrival at UAH
- IPC at UAH – notify of SIU activation

Critical Care Manager arrives at the SIU location and utilizes that space as the command- centre to coordinate all activation activities and phone calls.

SIU 3C2 Nursing Station – 780-407-3259
Temporary SIU 5C3 Nursing Station – 780-407-6184

This number will be used by Critical Care Manager as contact number during initial activation phase.

Critical Care Manager will follow detailed checklist for remaining contacts / responsibilities for activation of SIU
