

Are you looking for a meaningful and enjoyable way to spend four to five hours a week in support of patients in a healthcare setting? The Red Thread Gift Shops are known by patients and staff alike for their wide variety of merchandise and are an important part of the landscape of the six shops located on five acute care sites within the Calgary Zone.

The shops require energetic volunteers interested in providing compassionate retail service to patients, visitors and staff in a busy, beautifully merchandised, retail environment. Through the sales of such items as fuzzy slippers, sparkly jewelry, fashionable accessories, and a colourful plethora of cute and cuddly stuffies, the volunteer-staffed gift shops provides a large donation to the hospitals to support patient care and comfort annually.
