## Mobile mammography service to visit Brooks

BROOKS — Alberta Health Services' Screen Test program is coming to Brooks to provide screening mammograms to eligible individuals aged 45-74.

A mobile mammography trailer will be at the Brooks Health Centre (440 3 St. E.) March 17-23.

Appointments are required. Call 1-800-667-0604 to book an appointment or learn more about the program.

A mammogram is an X-ray of the breast. Screening mammograms are the best way to find breast cancer early when treatment may work better. Getting screened for breast cancer saves lives.

More information about breast cancer screening and who is eligible can be found by visiting [https://screeningforlife.ca/breast/get-screened/#who\\_should\\_get\\_screened](https://screeningforlife.ca/breast/get-screened/#who_should_get_screened).

Visit <https://screeningforlife.ca/breast/screen-test-mobile-clinics/> for more information and a complete listing of communities that the Screen Test mobile visits.

Screen Test is improving access to cancer screening for thousands of individuals in Alberta communities where mammograms are not readily available.

Alberta Health Services provides a range of healthcare services for more than four million adults and children living in Alberta. Our mission is to provide excellent, patient-focused healthcare that is accessible and sustainable for all Albertans. Our current focus is on reducing emergency department wait times, improving EMS response times, increasing access to surgeries, and improving patient flow.
