### Mobile mammography service to visit Buffalo Lake Metis Settlement

BUFFALO LAKE — The Screen Test program will be in Buffalo Lake Metis Settlement in April to provide screening mammograms to eligible individuals aged 45 to 74.

A mobile mammography trailer will be at the Family Centre, located at 17203 Buffalo Lake Drive, on April 28.

Screening is available at no cost for eligible individuals, but appointments are required. Call 1-800-667-0604 to book an appointment or learn more about the program.

A mammogram is an X-ray of the breast. Screening mammograms are the best way to find breast cancer early when treatment may work better. Getting screened for breast cancer saves lives.

More information about breast cancer screening and who is eligible can be found by visiting [https://screeningforlife.ca/breast/get-screened/#who\\_should\\_get\\_screened](https://screeningforlife.ca/breast/get-screened/#who_should_get_screened).

Visit <https://screeningforlife.ca/breast/screen-test-mobile-clinics/> for more information and a complete listing of communities that the Screen Test mobile visits.

Screen Test is improving access to cancer screening for thousands of individuals in Alberta communities where mammograms are not readily available.

In addition to mobile mammography clinics, screening can also be performed at specific radiology clinics and some hospitals. Individuals aged 45 to 74 can discuss their breast cancer risk with their healthcare providers to determine whether screening is appropriate for them and book with a radiology clinic or with Screen Test mobile mammography. For more information, visit [screeningforlife.ca/where-to-get-screened.ca](https://screeningforlife.ca/where-to-get-screened.ca).

Care is a lifelong commitment for Primary Care Alberta. We plan, fund and support primary healthcare across the province, improving access to care providers and offering front-line services through Health Link 811 and public health teams. Throughout the health journey, we are by your side – managing, preventing and reducing illness. Along with our partners, we nurture the connections our communities need to thrive and strengthen the health of all Albertans.
