Healthy Teeth For A Healthy Start

Do you have a child 12-35 months of age?

Your child may be eligible for **FREE** fluoride applications.

Visit our website:

<http://www.albertahealthservices.ca/services/page13171.aspx>

for more information and to see if your child is eligible.

For free a dental health professional will:

- Provide a fluoride varnish treatment.
- Provide a visual dental check.
- Talk about ways to protect your child's teeth.
- Answer questions that you have about dental health.

Appointments are available at many Calgary and area Community Health Centres.
For more information or to book an appointment please call **1-855-943-1300**

Talk To Your Dentist

The dental office can help to answer your questions about their billing procedures and payment options.
