Booked Beds

Renfrew books 2 admission beds daily.

Call to inquire 403-297-3337 press 2 to leave a message.

What is Renfrew Recovery Centre?

Renfrew Recovery Centre is a 40 bed residential facility offering medically supported detoxification services to people while they withdraw from the effects of alcohol and other drugs, as well as gambling stabilization.

As part of AHS' network of services throughout the province, Renfrew provides 24-hour care by competent, caring staff. Admissions are daily.

How can I be admitted?

Individuals requesting admission are advised to arrive between 7 – 7:15 AM. Entry into the building will not be granted prior to 7:00 AM. Clients should be especially mindful of this during inclement weather days, if planning on arriving to the site prior to 7:00 AM. Most clients refer themselves; however, Renfrew accepts referrals from many sources such as family, friends, hospitals, physicians, AA and a wide range of community and government agencies. Renfrew books 2 beds daily.

Clients usually remain at the centre for five days, but their stay can be shorter or longer depending on the severity of the withdrawal.

What happens at Renfrew?

On admission, an assessment of the client's condition is completed by a nurse and client care assistant. When clients are physically stable, they are provided with information on:

- *alcohol and other drug abuse/dependency*
- *effects of addiction on the body*
- *treatment agencies and services*
- *nutrition*
- *relapse prevention*
- *other relevant information*

Will I get counselling at the Centre?

Our addiction counsellors provide this service, which involves assessment and referral to treatment and other relevant programs.

Clients have the opportunity to participate in self-help groups such as Alcoholics Anonymous, Narcotics Anonymous and Cocaine Anonymous
