

ORDER OF AN EXECUTIVE OFFICER

To: Rabab Kadri
"owner"

RE: Those housing premises located in Edmonton, Alberta and municipally described as:
Main Floor, 12143 – 88 Street NW, Legal Land Description Plan RN76 Block 23 Lot 9

WHEREAS I, an **Executive Officer** of **Alberta Health Services**, have inspected the above noted premises pursuant to the provisions of the Public Health Act, RSA 2000, c. P-37, as amended;

AND WHEREAS such inspection disclosed that the following conditions exist in and about the above noted premises which are or may become injurious or dangerous to the public health or which might hinder in any manner the prevention or suppression of disease, namely:

- a. There was no power provided to numerous areas in the rental unit.
- b. There was no water provided to the rental unit.

AND WHEREAS such inspection disclosed that the following breaches of the Public Health Act and the Housing Regulation, Alberta Regulation 173/99, and the Minimum Housing and Health Standards exist in and about the above noted premises, namely:

- a. There was no power provided to numerous areas of the rental unit which is a contravention of section 5(2) of the Housing Regulation which states that: No person shall cause or permit any condition in housing premises that is or may become injurious or dangerous to the public health, including any condition that may hinder in any way the prevention or suppression of disease.
- b. There was no water provided to the rental unit which is a contravention of section IV(9) of the Minimum Housing and Health Standards which states that: Every building used in whole or in part, as housing premises must be supplied with a potable water supply of sufficient volume, pressure and temperature to serve the needs of the inhabitants.

NOW THEREFORE, I hereby **ORDER** and **DIRECT**:

1. That the Owner immediately undertake and diligently pursue the completion of the following work in and about the above noted premises, namely:
 - a. Restore the power to the rental premises.
 - b. Restore the water utility to the rental premises.
2. The work referred to in paragraph 1 shall be completed immediately.

The above conditions were noted at the time of inspection and may not necessarily reflect all deficiencies. You are advised that further work may be required to ensure full compliance with the Public Health Act and regulations, or to prevent a public health nuisance.

DATED at Edmonton, Alberta, December 20, 2016
