Step #5: Click on Course Title

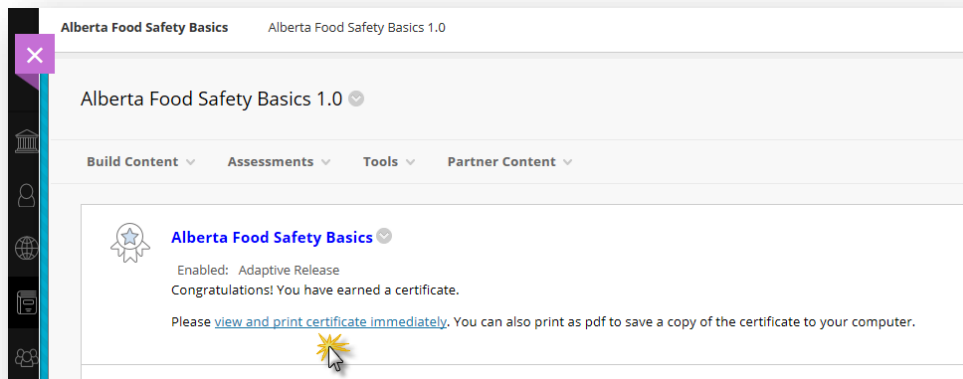

The screenshot shows the Blackboard interface. On the left is a navigation sidebar with 'Courses' selected. The main area is titled 'Courses' and shows a list of courses. The course 'Alberta Food Safety Basics' is highlighted, with a red box around its title and a yellow starburst icon pointing to it. The course details below the title include 'Original Course View', 'Safe Healthy Environments, Alberta Health Services', and a 'More Info' link.

Step #6: Click Alberta Food Safety Basics. Complete course and test

The screenshot shows the course page for 'Alberta Food Safety Basics 1.0'. The title 'Alberta Food Safety Basics' is highlighted with a red box and a yellow starburst icon. Below the title, there is a note: 'Note: Course is valid for 3 years. Course doesn't provide Alberta Certification in Food Sanitation and Hygiene'. A 'Help?' section contains a list of instructions: 'Watch how to complete course and print certificate video', 'Scroll down to how to complete course and print certificate information', 'email: eph.education@ahs.ca', '1-855-247-3433', and 'Course booklet and test option'.

Step #7: Print certificate immediately

The screenshot shows the course page for 'Alberta Food Safety Basics 1.0' with a starburst icon next to the title. The page displays 'Enabled: Adaptive Release' and 'Congratulations! You have earned a certificate.' Below this, it says 'Please view and print certificate immediately. You can also print as pdf to save a copy of the certificate to your computer.' A yellow starburst icon points to the 'print certificate immediately' link.

Print Certificate

Print to printer or print as pdf to save a copy of the certificate as pdf on your computer.
