

## **ORDER OF AN EXECUTIVE OFFICER UNFIT FOR HUMAN HABITATION ORDER TO VACATE**

**To:** Cody Glen Jacobson  
"the Owner"

Lloyd Jacobson  
"the Owner"

**And To:** All Occupant(s) of the following Housing premises: Black GMC Van – 1995 Centre Street SE

**RE:** Those housing premises located in High River, Alberta and municipally described as: Black GMC Van – 1995 Centre Street SE, High River, Alberta, T0L 0A0 (a.k.a 1995 Railway Street SE, a.k.a. 4;29;18;35;NE)

**WHEREAS** I, an **Executive Officer** of **Alberta Health Services**, have inspected the above noted premises pursuant to the provisions of the **Public Health Act**, RSA 2000, c. P-37, as amended;

**AND WHEREAS** such inspection disclosed that the following conditions exist in and about the above noted premises which are or may become injurious or dangerous to the public health or which might hinder in any manner the prevention or suppression of disease, in contravention of the Public Health Act and the Nuisance and General Sanitation Regulation, Alberta Regulation 243/2003 namely:

- a. The dwelling does not have a continuous supply of utilities (heat, power, water).
- b. The dwelling is not supplied with potable water.
- c. The dwelling is not connected to a sewage or plumbing system.
- d. The shared kitchen space is in a separate building and requires access by going outside of the dwelling.
- e. The shared washroom space is in a separate building and requires access by going outside of the dwelling.
- f. The dwelling does not have a toilet or hand sink.

**AND WHEREAS** such inspection disclosed that the following breaches of the Housing Regulation, Alberta Regulation 173/99, and the Minimum Housing and Health Standards exist in and about the above noted premises, namely:

- a. The dwelling does not have a continuous supply of utilities (heat, power, water). This is in contravention of section 8(d) of the *Minimum Housing and Health Standards* which states that "Every owner must ensure a continuous supply of electricity, water and heat unless the rental agreement stipulates that such utility services are the sole responsibility of the occupant."

- b. The dwelling is not supplied with potable water. This is in contravention of section 9 of the *Minimum Housing and Health Standards* which states that “Every building used in whole or in part, as housing premises shall be supplied with a potable water supply of sufficient volume, pressure and temperature to serve the needs of the inhabitants.”
- c. The dwelling is not connected to a sewage or plumbing system. This is in contravention of section 6(a) of the *Minimum Housing and Health Standards* which states that “Every housing premises shall be connected to the public sewage system, or to an approved private sewage disposal system. (a) The plumbing system and the sanitary drainage system or private sewage disposal system, as the case may be, including drains, fixtures, traps, vents, stacks, waste disposal facilities, pumpout sewage holding tanks, septic tanks and the disposal system shall be maintained in a proper operating condition.”
- d. The shared kitchen space is in a separate building and requires access by going outside of the dwelling. This is in contravention of section 14(b)(ii) of the *Minimum Housing and Health Standards* which states that “Occupants of a housing premises with more than one dwelling may share food preparation facilities provided that: (ii) the occupants have access to the common kitchen room from a public corridor without going outside the building,”
- e. The shared washroom space is in a separate building and requires access by going outside of the dwelling. This is in contravention of section 7(d)(i) of the *Minimum Housing and Health Standards* which states that “Occupants of a housing premises with more than one dwelling unit may share a flush toilet, wash basin and bathtub or shower provided that: (i) the occupants have access to the washroom facility without going through another dwelling or outside of the building.”
- f. The dwelling does not have a toilet or hand sink. This is contravention of section 7 of the *Minimum Housing and Health Standards* which states that “Every housing premises shall be provided with plumbing fixtures of an approved type consisting of at least a flush toilet, a wash basin, and a bathtub or shower.”

**AND WHEREAS**, by virtue of the foregoing, the above noted premises are hereby declared to be **Unfit for Human Habitation**.

NOW THEREFORE, I hereby **ORDER** and **DIRECT**:

- 1. That the Owner(s) takes all steps necessary to ensure all Occupants vacate the above noted premises on or before January 13<sup>th</sup>, 2026.
- 2. That the Owner(s) immediately undertake and diligently pursue the completion of the following work in and about the above noted premises, namely:
  - a. Immediately cease allowing the use of the van for sleeping and/or living.
- 3. That until such time as the premises can be shown to meet all requirements of the *Housing Regulation* and any applicable safety codes, it shall remain vacant and secure from unauthorized entry.

The above conditions were noted at the time of inspection and may not necessarily reflect all deficiencies. You are advised that further work may be required to ensure full compliance with the Public Health Act and regulations, or to prevent a public health nuisance.

DATED at High River, Alberta, January 15<sup>th</sup>, 2026.

Confirmation of a verbal order issued to Lloyd Jacobson on January 13<sup>th</sup>, 2026.

Executive Officer  
Alberta Health Services
