

ORDER OF AN EXECUTIVE OFFICER NOTICE OF CLOSURE

To: Newroz Sweet & Bakery Inc.
"the Owner"

Fazel Salimi
"the Owner"

RE: The food establishment located in Calgary, Alberta and municipally described as:
Newroz Bakery
124 – 3670 63 Avenue NE, Calgary, AB, T3J 0S4

WHEREAS I, an **Executive Officer** of **Alberta Health Services**, have inspected the above noted premises pursuant to the provisions of the Public Health Act, RSA 2000, c. P-37, as amended;

AND WHEREAS such inspection disclosed that the following conditions exist in and about the above noted premises which are or may become injurious or dangerous to the public health or which might hinder in any manner the prevention or suppression of disease, namely:

- a. Operating without a valid and subsisting food handling permit from Alberta Health Services.
- b. An approved sanitizer was not available for food contact surfaces and manual dishwashing.
- c. There was evidence of rodent infestation. Live rodent was observed in the main kitchen and back storage area. Rodent droppings were observed in the kitchen, storage area and side room in the back.
- d. Mouse droppings were observed in the side room in the back storage area.
- e. The operator was handling/storing food under unfinished ceilings, walls and floors in the back storage area.
- f. The ceiling tiles in the main kitchen are an absorbent and uncleanable material.

AND WHEREAS such inspection disclosed that the following breaches of the Public Health Act and the Food Regulation, Alberta Regulation 31/2006 exist in and about the above noted premises, namely:

- a. Operating without a valid and subsisting food handling permit from Alberta Health Services, which is in contravention of section 3(1) (a) (b) which states that no person shall operate a food establishment unless the person is an operator who holds a valid and subsisting permit for the operation of the food establishment, and the food establishment is identified on the permit as approved by the regional health authority that issued the permit.
- b. An approved sanitizer was not available for food contact surfaces and manual dishwashing. This is in contravention of the Food Regulation, AR31/2006, section 28(2), which states that: A commercial food establishment, all equipment and utensils in it and all surfaces in it with which food comes into contact must be maintained in a sanitary condition and, without limiting the foregoing, must be washed and sanitized in a manner that removes contamination

- c. There was evidence of rodent infestation. Live rodent was observed in the main kitchen and back storage area. Rodent droppings were observed in the kitchen, storage area and side room in the back. This is in contravention of the Food Regulation, AR31/2006, section 21(1), which states that: Subject to subsection (1.1), a commercial food establishment must be kept free of pests and of conditions that lead to the harbouring or breeding of pests.
- d. Mouse droppings were observed in the side room in the back storage area. This is in contravention of the Food Regulation, AR31/2006, section 21(1), which states that: Subject to subsection (1.1), a commercial food establishment must be kept free of pests and of conditions that lead to the harbouring or breeding of pests.
- e. The operator was handling/storing food under unfinished ceilings, walls and floors in the back storage area. This is in contravention of the Food Regulation, AR31/2006, section 17(1)(b), which stated that: An operator must ensure that, before operation of the commercial food establishment commences, the commercial food establishment is designed so as to facilitate the effective cleaning and sanitizing of it and of all equipment, utensils and surfaces with which food comes into contact in it.
- f. The ceiling tiles in the main kitchen are an absorbent and uncleanable material. This is in contravention of the Food Regulation, AR31/2006, section 17(1)(b), which stated that: An operator must ensure that, before operation of the commercial food establishment commences, the commercial food establishment is designed so as to facilitate the effective cleaning and sanitizing of it and of all equipment, utensils and surfaces with which food comes into contact in it.

AND WHEREAS, by virtue of the foregoing, the above noted premises are hereby declared to be **Closed**.

NOW THEREFORE, I hereby **ORDER** and **DIRECT**:

- 1. That the Owner immediately close the above noted premises.
- 2. That the Owner immediately undertake and diligently pursue the completion of the following work in and about the above noted premises, namely:
 - a. Obtain a valid food handling permit from Alberta Health Services.
 - b. Ensure an approved sanitizer is available for use in the facility.
 - c. Ensure the facility is kept free of rodents and other pests.
 - d. Remove all rodent and mice droppings and clean and disinfect the affected areas.
 - e. Contact a certified pest control company to prevent further spread of pest activity.
 - f. Ensure all the surfaces in the facility where food is handled and/or stored are smooth, non-absorbent and easily cleanable.
 - g. Replace the ceiling tiles with smooth, non-absorbent and easy to clean surfaces.
- 3. That, until such time as the work referred to in paragraph 2 is completed to the satisfaction of an Executive Officer of Alberta Health Services, the above noted premises shall remain closed.

The above conditions were noted at the time of inspection and may not necessarily reflect all deficiencies. You are advised that further work may be required to ensure full compliance with the Public Health Act and regulations, or to prevent a public health nuisance.
