RE: The food establishment located in Calgary, Alberta and municipally described as:
Snow Fairy and Canaan Rice Cake
4 - 4604 37 Street SW

WHEREAS I, an **Executive Officer of Alberta Health Services**, have inspected the above noted premises pursuant to the provisions of the Public Health Act, RSA 2000, c. P-37, as amended;

AND WHEREAS such inspection disclosed that the following conditions exist in and about the above noted premises which are or may become injurious or dangerous to the public health or which might hinder in any manner the prevention or suppression of disease, namely:

- a. There was no hot water available in the kitchen, at the handwashing sink in the front service area, at the 3-compartment sink, or in the washroom.
- b. There was a buildup of dirt and debris underneath the 3-compartment sink, and in hard-to-reach areas of the food establishment.
- c. A certificate in food safety has not been obtained by someone in care and control of the food establishment.
- d. The paper towel dispensers at the handwashing sinks in the front service area, back kitchen, and washroom were empty.
- e. There was no written sanitation procedure available.

AND WHEREAS such inspection disclosed that the following breaches of the Public Health Act and the Food Regulation, Alberta Regulation 31/2006 and the Food Retail and Foodservices Code exist in and about the above noted premises, namely:

- a. There was no hot water available in the kitchen, at the handwashing sink in the front service area, at the 3-compartment sink, or in the washroom. This is in contravention of the Food Regulation, Alberta Regulation 31/2006, section 17(1)(f) which states that: An operator must ensure that, before operation of the commercial food establishment commences, the commercial food establishment is supplied with hot and cold running water that is safe for human consumption and available in quantities sufficient to meet the needs of the commercial food establishment.

- b. There was a buildup of dirt and debris underneath the 3-compartment sink, and in hard-to-reach areas of the food establishment. This is in contravention of the Food Regulation AR 31/2006 section 28(2), which states that: A commercial food establishment, all equipment and utensils in it and all surfaces in it with which food comes into contact must be maintained in a sanitary condition and, without limiting the foregoing, must be washed and sanitized in a manner that removes contamination.
- c. A certificate in food safety has not been obtained by someone in care and control of the food establishment. This is in contravention of the Food Regulation AR 31/2006 section 31(1), which states that: A person operating a commercial food establishment must, at any time when there are 5 or fewer food handlers working on the premises, ensure that at least one individual who has care and control of the commercial food establishment holds a certificate issued by the Minister confirming that individual's successful completion of a food sanitation and hygiene training program or a document that the Minister considers equivalent to such a certificate.
- d. The paper towel dispensers at the handwashing sinks in the front service area, back kitchen, and washroom were empty. This is in contravention of the Food Regulation AR 31/2006 section 30(4), which states that: The handwashing stations must be maintained and kept supplied.
- e. There was no written sanitation procedure available. This is in contravention of the Food Regulation AR 31/2006 section 29, which states that: A commercial food establishment must have written procedures designed to ensure its safe and sanitary operation and maintenance.

AND WHEREAS, by virtue of the foregoing, the above noted premises are hereby declared to be **Closed**.

NOW THEREFORE, I hereby **ORDER** and **DIRECT**:

1. That the Owner immediately close the above noted premises.
2. That the Owner immediately undertake and diligently pursue the completion of the following work in and about the above noted premises, namely:
 - a. Reinstate hot water at all plumbing fixtures. Ensure there is a sufficient supply of hot water at adequate pressure to meet the needs of the food establishment, and in particular peak demands.
 - b. The owner/manager must enroll in and complete a food safety certificate course. Please see the list of recognized food safety courses here: https://www.alberta.ca/system/files/custom_downloaded_images/health-recognized-food-safety-courses-alberta.pdf
 - c. Restock the paper towel dispensers with paper towels.
 - d. Thoroughly clean and sanitize all kitchen surfaces including all hard-to-reach areas in the kitchen.
 - e. Prepare, implement, and maintain a detailed written daily/ weekly/ monthly sanitation program to facilitate the proper cleaning of all areas of the food establishment. Provide the written sanitation program to an Alberta Health Services, Public Health Inspector for review.

3. That until such time as the work referred to above is completed to the satisfaction of an Executive Officer of Alberta Health Services; the above noted premises shall remain closed.

The above conditions were noted at the time of inspection and may not necessarily reflect all deficiencies. You are advised that further work may be required to ensure full compliance with the Public Health Act and regulations, or to prevent a public health nuisance.

DATED at Calgary, Alberta, November 22, 2024.

Confirmation of a verbal order issued to Jonggoo Park on November 21, 2024.
