

ORDER OF AN EXECUTIVE OFFICER

To: Agnee Indian Ltd.
Sarbjit Kaur
"the Owner"

RE: The food establishment located in Grande Prairie, Alberta and municipally described as:

Agnee Indian: 105 - 11735 105 Street, Grande Prairie, AB T8V 8L1

WHEREAS I, an **Executive Officer** of **Alberta Health Services**, have inspected the above noted premises pursuant to the provisions of the **Public Health Act**, RSA 2000, c. P-37, as amended;

AND WHEREAS such inspection disclosed that the following conditions exist in and about the above noted premises which are or may become injurious or dangerous to the public health or which might hinder in any manner the prevention or suppression of disease, namely:

- a. The high temperature commercial dishwasher was not sanitizing. The temperature of final rinse water at the plate was below 71°C.
- b. The high temperature commercial glasswasher was not sanitizing. The Temperature of final rinse water at the plate was below 71°C.
- c. Alberta recognized food safety training course has not been completed by a person who has care and control of this commercial food establishment.

AND WHEREAS such inspection disclosed that the following breaches of the Public Health Act and the Food Regulation, Alberta Regulation 31/2006 and the Food Retail and Foodservices Code exist in and about the above noted premises, namely:

- a. The high temperature commercial dishwasher not sanitizing is in contravention of Section 28(1) of the Food Regulation, AR 31/2006 which states that, "A commercial food establishment must have all the facilities, equipment and utensils that are necessary to ensure its safe operation and maintenance".
- b. The high temperature commercial dishwasher not sanitizing is in contravention of Section 28(2) of the Food Regulation, AR 31/2006 which states that, "A commercial food establishment, all equipment and utensils in it and all surfaces in it with which food comes into contact must be maintained in a sanitary condition and, without limiting the foregoing, must be washed and sanitized in a manner that removes contamination".
- c. The high temperature commercial dishwasher not sanitizing is in contravention of Section 28(3)(a) of the Food Regulation, AR 31/2006 which states that, "All equipment and utensils in a commercial food establishment must be kept in good working order and condition".
- d. The high temperature commercial glasswasher not sanitizing is in contravention of Section 28(1) of the Food Regulation, AR 31/2006 which states that, "A commercial food

establishment must have all the facilities, equipment and utensils that are necessary to ensure its safe operation and maintenance”.

- e. The high temperature commercial glasswasher not sanitizing is in contravention of Section 28(2) of the Food Regulation, AR 31/2006 which states that, “A commercial food establishment, all equipment and utensils in it and all surfaces in it with which food comes into contact must be maintained in a sanitary condition and, without limiting the foregoing, must be washed and sanitized in a manner that removes contamination”.
- f. The high temperature commercial glasswasher not sanitizing is in contravention of Section 28(3)(a) of the Food Regulation, AR 31/2006 which states that, “All equipment and utensils in a commercial food establishment must be kept in good working order and condition”.
- g. A person who has care and control of this commercial food establishment not completing an Alberta recognized food safety training course is in contravention of Section 31(1) of the Food Regulation, AR 31/2006 which states that, “A person operating a commercial food establishment must, at any time when there are 5 or fewer food handlers working on the premises, ensure that at least one individual who has care and control of the commercial food establishment holds a certificate issued by the Minister confirming that individual’s successful completion of a food sanitation and hygiene training program or a document that the Minister considers equivalent to such a certificate”.

NOW THEREFORE, I hereby **ORDER** and **DIRECT**:

1. That the Owner immediately undertake and diligently pursue the completion of the following work in and about the above noted premises, namely:
 - a. Repair or replace the commercial dishwasher. The dishwasher must be able to sanitize all dishware/cutlery.
 - b. Repair or replace the commercial glasswasher. The glasswasher must be able to sanitize all glassware.
 - c. Ensure a person who has care and control of this commercial food establishment completes an Alberta recognized food safety training course.
2. The work referred to in paragraph 1 shall be completed by May 22, 2025.

The above conditions were noted at the time of inspection and may not necessarily reflect all deficiencies. You are advised that further work may be required to ensure full compliance with the Public Health Act and regulations, or to prevent a public health nuisance.
