| RE:   | Updates to Transfusion Medicine Client Resources |

# PLEASE POST OR DISTRIBUTE AS WIDELY AS APPROPRIATE

#### Key Message

- New and revised Transfusion Medicine resources are available on www.ahs.ca/labtransfusion.
- These resources provide information to support safe and appropriate transfusion practice in alignment with the <u>AHS Transfusion of Blood Components and Blood Products Policy</u>

#### Background

• Blood Component & Product Information / Monographs provide specific information required for obtaining, preparing, and transfusing blood components and products available in Alberta hospitals.

#### **Action Required**

• Review the most current version of the applicable Blood Component or Product Information / Monograph before transfusion.
