RE:	Collection Supply Ordering Change- Stool Kit

PLEASE POST OR DISTRIBUTE AS WIDELY AS APPROPRIATE

Key Message

- Effective June 23 ,2025, collection supplies identified below currently ordered from ProvLab can be ordered directly from AHS CPSM.
- Locations that currently directly order the supplies below from ProvLab should discontinue submitting orders to ProvLab in both Edmonton and Calgary.
- These supplies as shown below, can be ordered by the existing processes used to order other collection supplies

Product name	Product number	Oracle number	Unit of measure
KIT STOOL C&S – Order components separately	➤ 1S0000	➤ 412426	➤ KIT
• VIAL COLLECTOR FECAL 30ML (White- top container)	• CA73240-137	• 187563	• Each

Background

- Historically, the supplies listed above were available from the Provincial Public Health Laboratory (ProvLab) and supply orders submitted directly to the lab for fulfillment.
- Current distribution model has been reviewed and ordering the supplies directly from the AHS warehouse will optimize the inventory and improve distribution.

How this will impact you

- Discontinue submitting orders for the supplies above to ProvLab for fulfillment

Action Required

- Order supplies by:
 - Requisition orders placed in Oracle
 - Adding to existing supply cart order top up systems. Please follow your regular process to have this item added to your clinical supply carts as required.
 - For Community Providers, orders can be placed on the AHS Online Ordering portal [AHS Supplies Ordering - Sign In \(albertahealthservices.ca\)](https://albertahealthservices.ca)

Effective June 23 ,2025
