RE:	Addition of the Total and Direct Bilirubin to the Test Menu of selected rural sites in North East Central Zone

PLEASE POST OR DISTRIBUTE AS WIDELY AS APPROPRIATE

Key Message

- Effective **July 6, 2022**, Total Bilirubin will be added to the lab test menu of the following sites: Daysland, Killam, Provost and Tofield.
- Additionally, the following hospital laboratories will be able to report Direct (Conjugated) Bilirubin on-site: Provost, Viking, and Wainwright.

Why this is Important

- This change in test menu is a part of standardization of the test menu and processes within APL North Sector Area 5.

Action Required

- Please use **BILT** Meditech test code to place the order of Total Bilirubin.
- For Direct Bilirubin ordering at Provost, Viking, and Wainwright, please use **BILD** test code.

Inquiries and Feedback may be directed to

- Yury Butorin, PhD, Clinical Biochemist, Red Deer Regional Hospital, 403-406-5633, Yury.Butorin@albertaprecisionlabs.ca
