<b>TO:</b>	Grande Prairie Regional Hospital Admin, Grande Prairie Community Physicians
<b>FROM:</b>	Debra Campbell, Manager, Grande Prairie Regional Hospital Lab Services
<b>RE:</b>	<b>Grande Prairie Community Laboratory Collection Site Change in Services</b>

---

## PLEASE POST OR DISTRIBUTE AS WIDELY AS APPROPRIATE

---

### Background

- To better align the Outpatient Collection Lab at the Grande Prairie Regional Hospital (GPRH) with the ambulatory clinics in the facility the GPRH outpatient laboratory will change its operating hours effective June 6, 2022.

### Key Message

- On June 6, 2022, the hours of operation for community laboratory collection services will change at the Grande Prairie Regional Hospital

### Why this is important

- Patients must be aware that in order to access lab services they still have the following three options as
  - Patients can still visit the GPRH outpatient Laboratory, Junction Point Collection Site and the College & Community Health Center for bloodwork
- Patients will continue to have the opportunity to book their appointments online
- Appointments are strongly encouraged; however, walk-in lab service may be available on a limited basis. Please book online at [www.APLappointments.ca](http://www.APLappointments.ca)

### Grande Prairie Regional Hospital Hours of Operation

- **New**-Monday to Friday 8:00 am to 4:00 pm
- Weekends and Statutory Holidays-Closed

### Junction Point Hours of Operation

- Monday to Friday 7:00 am to 4:00 pm
- Saturday and Sunday 8:00 am to 3:30 pm
- Statutory Holidays-Closed

### College and Community Health Center

- Monday to Friday 9:00 am - 4:00 pm
- Weekends and Statutory Holidays-Closed
