RE:	Test Directory and Antibigram Access

PLEASE POST OR DISTRIBUTE AS WIDELY AS APPROPRIATE

Key Message

- The Community Services Test Directory and Antibigram applications (previous DynaLIFE resources) are being moved onto AHS IT infrastructure.
- Both will be available through the [Alberta Precision Laboratories](#) website.

Background

- Alberta Precision Laboratories (APL) is now the provider of all community lab services operations in Alberta, including those formerly offered by DynaLIFE Medical Labs

How this will impact you

- Test Directory:
 - There will be two Test Directories available, which will maintain their current functionality while an integrated solution is being investigated. Continue to use the test directory applicable to you.
 - The [Community Services Test Directory](#) (previous DynaLIFE Test Directory)
 - The [APL Test Directory](#)
- Antibigrams:
 - All antibigrams are available on the [Antibigrams](#) page of the APL website (including previous DynaLIFE antibigrams)
- To assist users with the transition, hyperlinks to the previous applications will automatically redirect.

Action Required

- Access the Test Directory and Antibigrams through the [Alberta Precision Laboratories](#) website.
- For direct access to former DynaLIFE resources, update favorites and shortcuts to the new locations:
 - Community Services Test Directory: <https://td.albertaprecisionlabs.ca/>
 - Antibigrams: <https://abx.albertaprecisionlabs.ca/>

Effective **June 6, 2024**

Questions/Concerns

- Joanne Vaillant, Manager, Quality Management System. APL.fDLQuality@albertaprecisionlabs.ca
- Megan Boire – Program Lead, Provincial Project Management Office. Megan.Boire@aplabs.ca

Approved by

- Dr. Carolyn O'Hara, Interim Chief Medical Laboratory Officer, APL

Effective September 1, 2023, APL has become the sole provider of all public lab services in Alberta. As a result, community lab services formally provided by DynaLIFE Medical Labs will become the responsibility of Alberta Precision Labs (APL). This change impacts all zones.
