

**Test Collection Locations for Southern Alberta Clinic Patients**

Southern Alberta Clinic (SAC) specimens can only be collected at the following locations.

**Note:** Only Calgary Urban locations are able to perform lower volume collections (e.g. pediatric) and/or EDTA collections. Specimens for archive PBMC specimens can be only collected at the [Sheldon M. Chumir Patient Service Centre \(PSC\)](#).

**On-line Booking:** [QME Alberta Precision Labs](#)

- Patient or designate must select one of the collection locations below.

**Phone Booking: 1-877-702-4486** (all zones)

- Patient or designate must indicate that the appointment is for collection of a 'SAC HIV' test.

**First Nations and Inuit Health Branch locations**

- On-line booking does not apply to First Nations Health Centres; refer to health centre-specific information provided below.
