

**Date:** March 26, 2015  
**To:** North Zone, Peace River Physicians and Nursing Unit Managers  
**From:** AHS Laboratory Services  
**Re:** Change of Methodology for Troponin I Testing at Peace River Community Health Centre

---

## PLEASE POST OR DISTRIBUTE AS WIDELY AS APPROPRIATE

---

### Key Messages:

- Effective March 30, 2015, the laboratory at the Peace River Community Health Centre will be testing Troponin I on the Alere Triage Meter
  - This change is being made to standardize the testing of Troponin I in the rural hospital laboratories in North Zone

### Why this is important:

- Reference Range Troponin I tested on the Triage Meter:  
≤0.02 ug/L

### Action Required:

Refer to Reference Range for Triage methodology

### For additional questions contact:

- Dr. Mireille Kattar, Consultant Pathologist at (780) 407-3373 or [mireille.kattar@albertahealthservices.ca](mailto:mireille.kattar@albertahealthservices.ca)
