

**Date:** November 17, 2016  
**To:** All Health Professionals who access the Laboratory Services External Web Pages  
**From:** AHS Laboratory Services  
**Re:** Laboratory Web Survey

---

**PLEASE POST OR DISTRIBUTE AS WIDELY AS APPROPRIATE**

---

**Key Messages:**

- The AHS Web Communications team has launched a user survey of the Lab pages on the AHS Laboratory Services external website to help assess the design, usability, and content of the pages.
- The survey can be found on the Laboratory Services landing page at <http://www.albertahealthservices.ca/lab/lab.aspx> as well the most frequently accessed Lab pages. You can take the survey by clicking on the orange icon:

**Why this is important:**

- Feedback received from the Lab Web Survey will be used to make improvements to the design and content of the external Lab web pages.

**Action Required:**

- All health professionals are encouraged to take the Lab Web Survey and provide feedback.
- The Lab Web Survey is now open and available December 16<sup>th</sup>, 2016.

**Inquiries may be directed to:**

- Lab Client Services at: [LabClientServices@ahs.ca](mailto:LabClientServices@ahs.ca)

**This bulletin has been reviewed and approved by:**

Dr. Carolyn O'Hara, Interim Provincial Medical Director, Laboratory Services, Alberta Health Services.
