Re: Requesting Pediatric and Stillborn Autopsies in Central Zone, North Zone and NWT

PLEASE POST OR DISTRIBUTE AS WIDELY AS APPROPRIATE

Key Message:

- All Pediatric and Stillborn Autopsies are performed at the Red Deer Regional Hospital.

Updated contact information is available in the procedure:

<https://ahs.labqms.com/labFrame.asp?DID=28966&FLDVr=8380>

Why this is important:

- The process will remain the same for requesting an Autopsy. Contact information has been updated.

Action Required:

- Please use the updated contact information when requesting a Pediatric or Stillborn Autopsy as outlined in the procedure above.
- Further assistance to request a pediatric or stillborn autopsy can be obtained from the Histology Accessioning Room at the Red Deer Regional Hospital Anatomic Pathology Lab: 403-343-4729.

Inquiries and feedback may be directed to:

- Please contact Barb Ewachow (403-343-4837) barbara.ewachow@aplabs.ca

This bulletin has been reviewed and approved by:

- Dr. Heidi Paulin, Regional Lab Site Chief, Red Deer Regional Hospital
- Dr. Clarissa Fauth, Pathologist, Red Deer Regional Hospital
