Re: Revised Histocompatibility Requisition

PLEASE POST OR DISTRIBUTE AS WIDELY AS APPROPRIATE

Key Messages:

On May 1, 2015, a revised Histocompatibility Laboratory requisition will become available for use.

Why this is important:

- There have been significant changes to the design of the requisition to assist with completion and accuracy
- Clinical history must be provided on the Histocompatibility requisition; incomplete requisitions may be cancelled upon receipt.

Action Required:

- Moving forward, please ensure that the most up-to-date version of the Histocompatibility requisitions is used.
- The revised Histocompatibility requisition is available on the Alberta Health Services website. It can be located using the following link: <http://www.albertahealthservices.ca/3320.asp>
- Alternatively, a print version is available through DATA Group (form # CH-0319). Requisitions can be ordered at www.datagroup.ca/ddm7 after self-registering or Data Group can be reached at 780-577-8295 or ahsedmonton@datagroup.ca.

Inquiries and feedback may be directed to:

- Dr. Patricia Campbell, Medical Director, Histocompatibility Laboratory
patricia.campbell@albertahealthservices.ca
- Dr. Luis Hidalgo, Associate Director, Histocompatibility Laboratory
luis.hidalgo@albertahealthservices.ca
- Christine Yamniuk, Supervisor, Histocompatibility Laboratory
