

Memorandum

Date: June 16, 2016
To: Referral Sites, All Immunologists, All PSCs, RRL Accessioning
From: Christine Hopkins, Flow Cytometry Supervisor
Re: **Flow Cytometry Mitogen Testing - Schedule Change for July 1**

PLEASE POST OR DISTRIBUTE AS WIDELY AS APPROPRIATE

Key Messages:

- The Flow Cytometry laboratory will be closed Friday, July 1, 2016 for the Canada Day holiday.
- Do **not** collect or send samples for Mitogen testing to the Flow Cytometry Department for the week of June 27 – July 1, 2016.
- Regular scheduled testing will resume the week of July 4 – 8, 2016.

Importance:

- Samples for Mitogen testing are processed and set up on Fridays (see schedule below). As the lab will be closed for the July 1 holiday, this test will not be available for the week of June 27 – July 1, 2016.

	Monday	Tuesday	Wednesday	Thursday	Friday	Saturday	Sunday
Week 1				Mitogen samples received	Mitogen assay set up	----->	
Week 2	----->	T cells harvested	B cells harvested				

Action Required:

- Do **not** collect or send samples for Mitogen testing to the Flow Cytometry Department for the week of June 27 – July 1, 2016.

Inquiries and feedback may be directed to:

Christine Hopkins, Flow Cytometry Supervisor @ 403-770-3366
