Re: New Location for Transfusion Medicine Blood Product Pick Up/Drop Off

PLEASE POST OR DISTRIBUTE AS WIDELY AS APPROPRIATE

Key Messages:

On November 7, 2015 at 08:00 Transfusion Medicine (TM) will begin operating from its new location on the 7th floor of McCaig Tower within the FMC Campus.

Importance/Impact

- Blood product pickup and drop-off will be located on the 7th floor of McCaig Tower.
- Patient care areas with pneumatic tube (PT) stations may choose to receive blood products via the PT. Blood products can be returned to TM via PT station #70.
- All specimens for testing will continue to be delivered to the FMC 6th floor Accession Department.

Action Required:

Access for blood product delivery will be via the McCaig Tower east service elevators. Follow the signs to the blood product pickup/drop-off location.

Inquiries and feedback may be directed to:

Julia Hendry, Acting Supervisor Transfusion Medicine @ 403-944-4467 or julia.hendry@cls.ab.ca
