Re: Rh Immune Globulin Pick Up at FMC Transfusion Medicine

PLEASE POST OR DISTRIBUTE AS WIDELY AS APPROPRIATE

Key Message:

On Saturday, November 7, 2015, FMC Transfusion Medicine will be operating from its new location on the 7th floor of McCaig Tower within the FMC Campus.

Importance/Impact

Rh Immune Globulin (WinRho®) will be picked up at Transfusion Medicine's **new location** on the 7th floor of McCaig Tower as of 7:00am on Saturday, November 7th, 2015.

Directions and available pickup times (see map)

7:00am to 3:00pm – Access the 7th floor via the McCaig Tower public elevators. Enter the CLS lobby, turn left and proceed down the hallway to the reception desk on the left side of the corridor and inform staff of the prescription/stock to be picked up. They will request an employee escort from Transfusion Medicine.

3:00pm to 9:00pm – Follow above instructions, but instead of stopping at reception, turn right and continue to the end of the hallway. Press the button on the wall mounted video phone and inform staff of the prescription/stock to be picked up at Transfusion Medicine. A Transfusion Medicine employee will arrive as an escort to the department.

9:00pm-7:00am – Product pickup is unavailable.
