Re: LB-34-11 Laboratory Renovations at Taber Hospital

PLEASE POST OR DISTRIBUTE AS WIDELY AS APPROPRIATE

Key Messages:

Renovations to the Laboratory at the Taber Hospital will commence on November 21, 2011. The anticipated time frame for this project is 11-12 weeks. During this time there will be construction workers on site and the current laboratory entrance and collection rooms will be relocated. The services for x-ray patients will not be affected.

Why this is important:

These renovations will:

- Increase the collections rooms to three and provide computer stations in each room.
- Create a second bathroom.

Access to Laboratory Services will be affected by:

- The laboratory entrance will be relocated to the Doctor Lounge area for the duration of the project.
- The laboratory waiting room will be relocated outside the Doctor Lounge
- The signage to redirect patients will be located at the registration desk

Inquiries and feedback may be directed to:

Judy Noss, South Zone Rural Manager at 430-388-6287 or
Lana Leeb, Taber Lab Supervisor at 403-223-7227
