Re: Oral Pathology Results in Netcare

PLEASE POST OR DISTRIBUTE AS WIDELY AS APPROPRIATE

Key Message:

Effective March 21, 2012, results for specimens submitted through oral pathology at the University of Alberta will appear in Netcare under the heading of “UAH Oral Pathology” within the Anatomic Pathology folder.

Why this is important:

- Netcare users will be able to find results more efficiently.
- This will facilitate the collection of quality metrics to comply with the Provincial Anatomic Pathology Quality Plan.

Inquiries and feedback may be directed to:

Steven Joy, Research and Development, Anatomic Pathology, Edmonton Zone at 780-407-8015 or by email at steven.joy@albertahealthservices.ca.
