Tuberculin (PPD) (Date Given)	Tuberculin (PPD) (Result/Date Read)	Respiratory Syncytial Virus(RSV)	Other		

Immunization protects you from disease.

- Vaccines make your immune system stronger. They build antibodies to help prevent diseases.
- Immunization is safe. It is much safer to get immunized than to get the diseases.

For the routine immunization schedule and up-to date immunization information, go to **ahs.ca/immunize** or call **Health Link at 811**.

For 24/7 nurse advice and general health information, call **Health Link at 811**. Or visit **MyHealth.Alberta.ca** or **ahs.ca/immunize** for health information online.
